

*AHECS Awards 2020*  
**Application Submission Date  
Extended to:  
Friday 1st May 2020**

Dear Members,

Due to the unusual circumstances that we all currently find ourselves in, AHECS has decided to **extend the deadline** for submission of AHECS Awards Applications to 1st May 2020.

This is an extension of two weeks. We encourage all institutions to participate in the Awards. The awards are a great way to showcase the work and talent of your institution. We at AHECS know that your institution works hard throughout the year to be innovative, forward-thinking, engaging and research-driven in order to provide the best service for your students.

The AHECS awards were set up to give recognition to all the hard work that your institution is doing on a yearly, monthly and daily basis. As a result, this year we have changed our awards to celebrate a broader range of achievements in your services.

There are now more chances for your submission to win with four categories in four different areas of the careers services.

Below you will find some FAQ's and if you do not find your answer here be sure to contact me at [admin@ahecs.ie](mailto:admin@ahecs.ie) I will be happy to assist you with any questions you may have!
